To Whom It May Concern

Dear Sirs,

I have known Irina V. Redina and her company UCCA (United Center for Consulting and Audit) for almost 2 years. At all time I have found Irina V. Redina as top level professional in bookkeeping. My opinion is shared with my colleagues from our mother company in Denmark as Irina is in charge of our Monthly Finance Reports to Cembrit Holding A/S.

Irina V. Redina easy to communicate and very effective in maintaining relations with different organizations as Tax Inspection. Irina predicts possible mistakes and gives always on time valuable advices.

What I appreciate the most in our partnership with her that Irina V. Redina has responsibility based on a filling of ownership of our business.

I'm very happy to recommend Irina V. Redina and her company as bookkeeping service provider.

Any additional comments are available upon request.
